

***Did you know that by shopping online you can help support scholarships for students?
60 Seconds of your time is all it costs you!***

It doesn't cost YOU a cent, but when you consider how often we shop Amazon, it can make a **BIG difference** to our students. The only change you need to make is to shop at <http://smile.amazon.com/> instead of your regular Amazon link. Prices are the same, but Amazon makes a small donation to the WSU Tech Foundation for every purchase you make.

What is the AmazonSmile Foundation?

The AmazonSmile Foundation is a 501(c)(3) private foundation created by Amazon to administer the AmazonSmile program. All donation amounts generated by the AmazonSmile program are remitted to the AmazonSmile Foundation. In turn, the AmazonSmile Foundation donates those amounts to the charitable organizations selected by our customers. Amazon pays all expenses of the AmazonSmile Foundation; they are not deducted from the donation amounts generated by purchases on AmazonSmile.

How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

So here's all you need to do to support our students through AmazonSmile:

1. You must sign into your Amazon account through this web address: <http://smile.amazon.com/>. **EVERY** time you shop on Amazon make sure you use this address to give back to WSU Tech Foundation.
2. If this is your first visit to this site a box will pop up asking you to select a charity to support. In the search box type WSU Tech Foundation and select the Foundation from the list.
3. Once the charity is selected a box will pop up saying Thank You. Now when you shop at smile.amazon.com, Amazon will donate 0.5% of your purchase price.
