You shop. Amazon gives.

Did you know that by shopping online you can support the WATC Foundation? It's simple and makes a BIG difference in the life of our students.

What is the AmazonSmile Foundation?

The AmazonSmile Foundation is a 501(c)(3) private foundation created by Amazon to administer the AmazonSmile program. All donation amounts generated by the AmazonSmile program are remitted to the AmazonSmile Foundation. In turn, the AmazonSmile Foundation donates those amounts to the charitable organizations selected by our customers. Amazon pays all expenses of the AmazonSmile Foundation; they are not deducted from the donation amounts generated by purchases on AmazonSmile.

How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

So here's what you need to do to support the WATC Foundation through AmazonSmile:

1. You must sign into your Amazon account through this web address: <http://smile.amazon.com/>. **EACH** time you shop on amazon ensure you use this address to give back to WATC Foundation.
2. If this is your first visit to this site a box will pop up asking you to select a charity to support. In the search box type Wichita Area Technical College Foundation and select the Foundation from the list.
3. Once the charity is selected a box will pop up saying Thank You. Now when you shop at smile.amazon.com, Amazon will donate 0.5% of your purchase price.
