

Did you know that by doing your grocery shopping you can support the WSU Tech Foundation? It's simple and makes a BIG difference in the life of our students.

Through Dillons Community Rewards, the WSU Tech Foundation will get credit for every purchase members make using their registered Plus card. The more you shop with Dillons, the more opportunity the Foundation has to earn even bigger rewards. It's that easy!

A customer must have three things to register and begin supporting the WSU Tech Foundation:

- A Dillons Plus card
- A valid email address
- An account through the Dillons website
