

# Spring 2024 Financial Aid Guide

## Step 1: APPLY for Financial Aid

Complete the Free Application for Federal Student Aid (FAFSA) at [www.studentaid.gov](http://www.studentaid.gov). Use WSU Tech school code: 005498. Results are usually emailed to you in 3-5 business days.

Complete the WSU Tech **Student Data Form & Rights and Responsibilities** online via your myWSUTech student portal.

## Step 2: SUBMIT requested documents

These additional documents are usually requested by email once WSU Tech has the FAFSA results. You must submit these requested documents before the financial process can be completed.

## Step 3: SUBMIT your Financial Aid Offer

You will receive an email notification once your Financial Aid Offer has been processed. This will show your eligibility for Pell grant, student loans and scholarships. You must accept or decline the financial aid offered. This step can be completed electronically via your myWSUTech account.

## Step 4: COMPLETE Entrance Counseling & Master Promissory Note

(only if you've accepted loans)

These two items can be completed online at [www.studentaid.gov](http://www.studentaid.gov) and are only required for students that accept loans (only need to complete if you haven't already done this at WSU Tech).

## Step 5: RECEIVING your money

Your financial aid will be applied to your student account to pay tuition, fees, books, etc. Note: if you have "left-over" financial aid you will receive it by the date below.
