

How can I download EBSCO eBooks to an Android device and read them using the Bluefire Reader app?

eBooks can be downloaded and read using an Android device with the Bluefire Reader app available for free from Google Play.

Note: Your device must be running Android 2.1 or higher.

You will need the following software:

- Chrome web browser (Installed on your Android device)
- Bluefire Reader App (Installed on your Android device)

Install Bluefire Reader App

Install the Bluefire Reader app onto your device. Bluefire is available for free from Google Play at the following link:

Note: You must authorize the Bluefire app with your Adobe ID.

Authorize Bluefire App with your Adobe ID

Before you download an eBook to Bluefire, you must authorize the app with your Adobe Digital Editions ID.

To Authorize the App:

1. Open the Bluefire app from your devices applications menu.
2. Enter your Adobe ID and password in the fields provided.
3. Tap **Authorize**.

Your device is now authorized to read EBSCO eBooks.

Checkout and Download an eBook

Next, locate an eBook you wish to download to your device and use the following steps to download it.

To download an eBook:

1. Run a search on *EBSCOhost* or *EBSCOhost* Mobile and tap an eBook image in the result list for the eBook you would like to download.

Note: The Chrome web browser is recommended for searching and downloading eBooks on Android devices.

The detailed record is displayed.

2. Tap the **Download (Offline)** link for the eBook you would like to download.

If you are not logged into your personal My *EBSCOhost* folder, you are prompted to do so.

3. Select a **Checkout period** from the drop-down menu and tap the **Checkout & Download** button.

The eBook is added to the Checkout area of your My *EBSCOhost* folder and begins to download to your device.

4. Bluefire should automatically open and prompt you to view your library or begin reading the eBook.

You may now begin reading the eBook on your Android device.

Notes:

- Because Android devices vary by software and hardware features, your process to transfer eBooks may differ slightly.
- After your eBook checkout expires, the eBook file is still be on your device but can not be opened. You must remove the file manually by opening Bluefire and selecting to remove it from your library.
